GENDER SENSITIZATION CELL

The Gender Sensitization Cell at Varun College of Pharmacy is established to promote awareness about gender equality and foster an environment of respect and inclusivity for all. The cell aims to address gender-related concerns and ensure a safe and supportive campus for everyone.

Committee Members

1. **Ms. Vidhi Sharma**

Designation: Head of Committee

Role: Lead the cell, oversee its activities, and ensure the successful implementation of gender sensitization programs.

2. **Ms. Hemlata Meena**

Designation: Staff Member

Role: Assist in organizing workshops, seminars, and awareness campaigns related to gender equality and inclusivity.

3. **Ms. Shruti Sharma**

Designation: Student Mentor

Role: Act as a bridge between students and the committee, providing peer support and encouraging open communication about gender-related issues.

Objectives

- Promote gender equality and eliminate stereotypes through regular awareness campaigns.
- Conduct workshops, seminars, and interactive sessions on topics like gender roles, discrimination, and workplace behaviour.
- Create a platform where students and staff can share concerns related to gender issues confidentially.
- Address and resolve gender-related grievances effectively.

The Gender Sensitization Cell is committed to building a respectful, gender-sensitive community and encourages everyone to participate in creating a positive campus environment.
